

January, 1956

Dear Brother Florist:

It is indeed a great pleasure to mail you our Wholesale Trade List of the finest Bulbs grown. All our Gladioli are sand and clay loam grown, so you can be assured of extra quality blooms. Also, all varieties are 100% true to name.

We have shipped to over 6,000 Florists, Seed Houses and Nurserymen from Coast to Coast for the past 28 years, and many of those have been with us from the time we started in business.

Our overhead is very low — that's the reason we can sell at LOW PRICES.

We have this season an enormous stock of fine Dahlia Tubers, as we grow these right here on our place in

Kalamazoo, Michigan, and all are sand-grown Bulbs. One shipment will convince you of the quality stock we ship out.

We do not charge for packing or cases. All shipments are Railway Express, F. O. B. Kalamazoo, Michigan. If parcel post shipments are wanted, state so in ordering and we will bill you for postage used on your shipment.

Our terms are always cash or C. O. D., except that to reliable firms who have dealt with us for several years, 30 days credit is extended.

Yours for the Best in Bulbs.

MICHIGAN GROWN DAHLIA TUBERS

These were imported in 1954 from Holland and grew them here one year; many are new varieties and new colors in Dahlia blooms.

These varieties do not make very large tubers in the rule, but are heavy bloomers, many with 50 flowers on a single tuber here.
